REMEMBER THE #KAZABLACKOUT2017 (Feb 4-16)

It's officially been 1 year since we closed our doors for #kazablackout2017. **NEVER AGAIN!** Let's celebrate our one year anniversary as a reminder to not take our family for granted!

A couple reminders to ensure we never go through that again:

We have a **building capacity limit of 185 people**. Once we reach limit we cannot let any additional students into the building until students begin to leave. While most classes are not impacted by this limit, please plan to arrive 10-15 mins before the start of class to guarantee a spot! While we no longer charge for children not participating in class, please do consider alternative arrangements so that we can allow for as many participating students as possible into class!

Parking in our lot is limited to valid spaces (no parking on ramps or unmarked curbs, and **no double parking**). Street parking is available at various times throughout the day- please do not mark within 30 ft of the stop signs! An overflow lot is available across the street from Fairfax Sportsplex (continue passed the Progressive building around the corner). **Do NOT park across the street in the Auto Repair shop lot.** You will be towed!
