Building Reminders

We have a **building capacity limit**, once reached, we cannot let any additional students into the building until students begin to leave. While most classes are not impacted by this limit, please plan to arrive 10-15 minutes before the start of class to guarantee a spot!

MARK YOUR CALENDARS- SPECIAL HAPPENINGS

CATCH KAZAXE ONLINE!

We can finally deliver on your BIGGEST ASK! KAZAXE is ready for its live stream debut! We are teaming up with Wollen Dance who will be providing the services. Classes will be LIVE in June, as soon as we finalize the mechanics! The plan is to start with all of Asuka's classes starting Tuesday –June 4th. Not only will the classes be live, but each class will be stored in the library for later viewing if you want. Keep an eye out for more details, including class packages with online options through our studio! ([Visit kazaxelive.com](http://kazaxelive.com))

BASIC STEPS with Asuka

Saturday, June 15, 2019 @ 12PM @ The Underground

Slow it all down and really learn to move your body from the core out to your limbs so you not only look better, but work harder and prevent injury!!!! Cost: \$10- purchase the “Special Class” through MB

Want Your Kids To Join You?

Kid's are always welcome to join the class at the parent/ guardian's discretion (sound levels get to approx 100dcb and some moves/ song choices are suggestive). All kid's joining the class must be registered (a wristband will be provided for little ones so our staff knows they are checked in) and participating in the class. We cannot have children sitting along the walls throughout the studio for safety and liability issues.

While we do not have child care, we do allow children over 5yo to sit with a quiet activity in the main lobby. Please check on them as you see fit through the hour. They will not be able to enter the studio, but can ask the front desk for help in cases of emergency (bathroom, etc!).
