Want Your Kids To Join You?

Kid's are always welcome to join the class at the parent/ guardian's discretion (sound levels get to approx 100dcb and some moves/ song choices are suggestive). All kid's joining the class must be registered (a wristband will be provided for little ones so our staff knows they are checked in) and participating in the class. We cannot have children sitting along the walls throughout the studio for safety and liability issues.

While we do not have child care, we do allow children over 5yo to sit with a quiet activity in the main lobby. Please check on them as you see fit through the hour. They will not be able to enter the studio, but can ask the front desk for help in cases of emergency (bathroom, etc!).
